Details for pre-match lunches are being placed around the club this weekend with more details to follow.

Our next event:

24th October - Jerusha!
30th October - Halloween Party!
5th December - Christmas Ball

ONE BUMPER WEEKEND AFTER ANOTHER

MARK BRUCE

CHAIRMAN - MARK BRUCE

With a bumper weekend ahead of us it is great to see so many players putting on the black & white. That strength in depth is evident across all of our sides and four wins across men's and women's shows the place we are in. Especially when you consider many other clubs are struggling. Credit must go to our senior coaches Sam, Darren, Dave and Gary Gray for the Women together with Ben Giles for the Social, Stacey for the Mini & Youth for creating the positive. Well done to them and all of the other volunteers.

This week I had the pleasure of visiting one of our main sponsors Magrock. What a great business set up and ethos they have which has propelled the business so far in a 10 year period. The fact that they want to support a club such as ours and work with us off field and across all of our teams is a real example of how clubs such as ours can make a bigger impact in our community by working with key partners. Thank you Magrock and all of our other sponsors. We look forward to welcoming you all to lunch on November 21st.

Back to the rugby now and so had the pleasure of watching the 1s play down in Brighton. What a great performance the lads put in against one of the early season favourites winning 38-28 and celebrating long into the night. The 2s had no game and so it was left to the 3s and 4s to bring home the wins ably followed by another game I watched on Sunday as the Women beat Bexley 27-7 to cap off a fine weekend.

All four sides will be out this weekend and so our resources will no doubt be tested. With the 1s making the long trip to Battersea Ironsides where you don't really know which side will turn up on the day such is their transient pool of players it will be left to the 2s (v Brockleians), 3s (v Deal&Betteshanger) and 4s (Lordswood) to keep the home crowd entertained. With the 1s and 2s in a battle at the top of their respective tables the next few weeks will really start to see how those leagues are looking.

On a final note we do have a few International tickets left for the England games against Australia and Japan in November. If you are interested then please contact Garry Hodges or myself and we can sort you out.

Let's get behind all of the teams this weekend and hopefully celebrate another great club weekend.

BRIGHTON BLUES 28 - GRAVESEND RFC 38

MATCH REPORT

1XV MATCH REPORT

Gravesend maintained their perfect start to the season with victory on the road over last seasons runners up Brighton Blues and a well deserved victory it was.

After an opening which saw some thunderous tackles by the visiting side and Bradley Money in particular kept Gravesend on the front foot. Having found some good field position Gravesend opened the scoring on 15 minutes through George Bruce who slid between the covering defence to score under the posts.

Five minutes later the home side levelled the score after switching play and using their rapid wingers to good effect. Where Gravesend were guilty of not using their dominance upfront in previous games they did not make the same mistake again. On 27 minutes Stan Dadson came up with the ball after another successful driving maul.

Things got better 6 minutes later when this weeks Player of The Match Josh Barnes went on another mazy run and out sprinted the home defence. With another home try just before half time teams turned around with Gravesend leading 21-14.

The second half started in a similar fashion although the ferocity of the defence was taking its toll with Les Falefatu, Bradley Money and Rocky Sims all spending time for injuries on the sideline.

With debutant Fili Laqerebata entering the fray Gravesend forwards remained on top and it was no surprise when Stan Dadson scored another try and give Gravesend at least some.

The home side refused to go away and had two more scores after a period of dominance to level the scores at 28-28.

Shortly after scoring Brighton were guilty of giving away a needless penalty which Rhys Betts duly despatched and inched Gravesend away. Betts afternoon got better shortly after when he chased through a deft Bruce kick to score under the posts. With the conversion knocked over Gravesend managed the last 5 minutes impeccably keeping the opposition pinned in their own half.

Next week Gravesend travel to Battersea Ironsides
